Subject : The Temporarily Shutdown of Hydrogen Production Unit and Hydrocracking Unit for Maintenance

Attention : President of the Stock Exchange of Thailand

Bangchak Corporation Public Company Limited ("the Company") would like to inform that the Company plans to temporary shutdown the Hydrogen Production and the Hydrocracking Units for maintenance in accordance with the Company's refining plan, safety measures and new products structure, the scheduled 22-day shutdown period is from May 19, 2017 to June 9, 2017. Other operating units will continue normal operations.

The Company expects no significant impacts on its product sales to customers and annual performance. The Company has planned to cope with this temporarily shutdown by securing purchases of supplies to ensure sufficient reserves to serve customer demands.

Please be informed accordingly.

Yours sincerely,
